Our different materials:

Overview

Metal

Our metal is powder coated to ensure durability and highest quality.

Wood

Whether you prefer warm and traditional tones or contemporary and minimalist styles, Gharieni has the perfect wood color sample to suit your preferences.

Corian

Discover Gharieni's stunning Corian samples, blending style and durability for your spa. From timeless whites to modern hues, customize your space effortlessly.

PU (Polyurethane)

PU offers a luxurious feel while ensuring long-lasting performance. Designed to withstand the rigors of daily use in spa and wellness environments.

Stamskin

High flexibility material for a perfect finish. A large palette of 16 neutral and vibrant colors.

Stamskin Zen

Offers antimicrobial and antiviral properties without irritating user's skin. Is used for optimal hygiene and eliminates 99.9% of all bacteria and 99.8% of viruses after 1 hour.
